**Hi Folks,**

**Just a quick post to let you know that we had a small typo in our last newsletter. In the President's message, we said that we are the only lake in the area that is invasive free. What we meant to say is we are one of the only lakes in the area that is invasive free.... there are several. We will be making an edit to the newsletter shortly, but also wanted to let you all know with this post as well.**

**The PLA**
