

BEACH PLANTINGS

PROVINCE LAKE COMMUNITY
NEEDS YOU!!!!

Erosion is the #1 contributor to phosphorus in Province Lake. We will be working with the AWWA crew to install plants to create a 300' vegetative buffer to help prevent erosion. This work is being completed from grant funding.

Volunteers

- Looking for volunteers during 8 am to 2 pm
- Does not require an all day commitment
- Help haul plants, dig holes, put in top soil, put in plants, spread mulch
- Bring a rake & shovel
- Rain or shine

TUESDAY 6/30 8:00AM

**Meet near the
Butler Field
Area
of Route 153**
